Descriptors-*Directories, *National Surveys, *Public School Systems, School Size, Student Enrollment, *Superintendents, Tables (Data)

This directory of public elementary-secondary school systems lists alphabetically by State the local school systems enrolling 300 or more pupils in the United States, its territories, and possessions, showing for each unit (1) name of the unit, (2) superintendent's location, (3) zip code, (4) county name, (5) grade-span (lowest and highest grades taught in the system), and (6) total enrollment. A separate table gives the names of superintendents of school systems with enrollments of 10000 or more. Also included are four summary tables showing distributions of school systems by State, enrollment, size, and grade-span. (TT)

PUBLIC SCHOOL SYSTEMS

Introduction

Information for this directory of local public elementary-secondary school systems (districts) was provided by the research and statistics staff in each State education agency. Their cooperation is gratefully acknowledged.

The main body of the directory lists the local school systems enrolling 300 or more pupils, with the following information shown for each unit:

- Name of unit
- Superintendent's location
- Zip code
- County name
- Grade-span (lowest and highest grades taught in the system)
- Enrollment (total)

The general listing pattern for the school systems is alphabetical by State. However, for instances in which the name of the school system changed from the previous listing, the name of the system will be out of alphabetical order. Such cases are indicated by an asterisk (*).

The names of superintendents of large public school systems (enrollments of 10,000 or more) are given in a separate table preceding the basic listing. Also included are 4 summary tables showing distributions of school systems by State, enrollment size, and grade-span.

The listing of school systems is as of Fall 1967 and enrollment figures are for the same time period with the following exceptions:

State	Figure reported in enrollment column
Alabama	1965-66 enrollment
Alaska	1966-67 ADM (Average Daily Membership)
Arizona	1966-67 ADM
Arkansas	1966-67 ADM
Connecticut	Some systems Fall 1967 enrollment; others 1966-67 ADM
Michigan	1966-67 enrollment
Nebraska	Fall 1966 enrollment
New York	Some systems Fall 1967 enrollment; others Fall 1966 enrollment
Oregon	1966-67 ADM
South Carolina	1966-67 enrollment
Texas	Some systems Fall 1967 enrollment; others 1966-67 ADM
Vermont	1966-67 enrollment

The following form of address is suggested for writing to the head of a local school system:

Superintendent of Public Schools
(*The name if enrollment is* 10,000 or more)
Name of district (1st column in directory)
City or town (2nd column in directory)
State
Zip code (3rd column in directory)

Mail addressed in this manner, even without a street address, should reach its destination without difficulty.
